

Joseph Ntseke is a physiotherapist who's passionate about sports and working compassionately with clients to assess their needs, provide accurate diagnosis and administer holistic programmes for optimum physical wellbeing.

Joseph completed his undergraduate degree at MEDUNSA in 2000 followed by MSc (Physiotherapy) in 2014.

Joseph has been privileged to work as Team Physiotherapist with a variety of National Federations; Athletics South Africa (ASA), South African Football Association (SAFA), South African Sports Confederations and Olympic Committee (SASCOC). He also worked at Mamelodi Sundowns FC for 11 years responsible for the Youth Academy before joining University of Johannesburg.

He was appointed as Chief Physiotherapist for 2016 African Union Sport Council Games in Luanda, 2018 Commonwealth Games in Gold Coast Australia and 2020 Tokyo Olympics.

He was selected as part of the medical team for 2008 Beijing Paralympics Games, 2012 London Paralympics Games, 2012 London Paralympics Games and 2016 RIO Olympics Games, 2010 Singapore Youth Olympics, 2014 Nanjing Youth Olympics and 2018 Buenos Aires Youth Olympics

Joseph was the Doping Chaperone during the 2010 Soccer World Cup in South Africa.

He has also worked in cricket with different National Teams (Indonesia Ladies Cricket Team during 2023 U19 T20 World Cup, Malawi Senior Men during Southern Africa T20 Africa Cup and recently with SA Emerging Team)
