PsyCaD Career Services UJCareerWiz

The Future
Reimagined

The one-stop graduate employer career portal

**Access the PsyCaD Career Services UJCareerWiz portal,
your online career solution.**

Address all your career needs in one online location, conveniently located within your own company page on UJCareerWiz, PsyCaD Career Services' comprehensive work-integrated learning management solution for our graduate employer clients!

UJCareerWiz, PsyCaD Career Services' online career application, offers graduate recruiters the following benefits:

- Set dynamic company profiles (including logos, statistics, photo gallery and multi-media) for students to view
- Seamlessly post job opportunities: graduate jobs, work experience (including internships), international remote work, casual/vacation work, bursaries and volunteering opportunities
- Register for events (career fairs, company showcases, company presentations, webinars, industry talks, insta-live chats, advertising opportunities, E-recruitment guide)
- Manage interview schedules
- Access to student profiles
- Place candidates
