Our Future Reimagined

Master of Education

The **Faculty of Education** at UJ is committed to knowledge-making for 21st-century education. To this end, the faculty offers a **Master of Education** programme with an **NQF Level 9**.

PURPOSE

The purpose of the Master in Education is to enable qualifying students to develop knowledge and skills to function as critically-reflective, competent and accountable education researchers who can contribute to the development of education knowledge at an advanced level.

ADMISSION REQUIREMENTS

Prospective candidates will have obtained a BEd (Hons) with a 65% overall average.

OR

Prospective candidates will have obtained a suitable four-year professional bachelor's degree (NQF Level 8) plus a teachers' diploma/ teaching qualification and work experience in the proposed field of specialisation. The Education knowledge of such candidates will be assessed by the Head of Department and the subject expert in the proposed field specialisation and a reading programme may be prescribed prior to following registration.

OR

Prospective candidates will have obtained a teacher's diploma /teaching qualification, plus an appropriate honours degree and work experience in the proposed field of specialisation. The Education knowledge of such candidates will be assessed by the Head of Department and the subject expert in the proposed field of specialisation and reading programme may be prescribed prior to registration.

OR

For admission to the field of Philosophy of Education, prospective candidates will have obtained bachelor's honours degree and work experience relevant to the proposed field of specialisation. The Education knowledge of such candidates will be assessed by the Head of Department and the subject expert in the proposed field of specialisation and reading programme may be prescribed prior to registration.

ADDITIONAL ADMISSION REQUIREMENTS

Academic performance: students need to have attained a minimum of 65% in their previous degree.

If 65% was not attained prior learning and experience in the field may be taken into consideration and students could be allowed to register based on a pre-registration research proposal which is accepted by the Department in which the student will be registering.

In addition to the minimum admission requirements as outlined above, prospective students should provide; a written submission outlining work experience and motivation for entry into the programme. Prospective students may possibly undergo a selection process, including personal on-line interviews.

- ***Students without an education qualification may be allowed to register for a MEd, should those students have appropriate education related experience (e.g. work experience) in relation to the proposed topic of the MEd. Such a prospective student must be involved in pre-registration and a prescribed reading programme. Full registration will be allowed based on satisfactory progress with a Chapter 1 during the pre-registration period. The chapter, approved by the supervisor, must be submitted to the Faculty Office to allow full registration.***

PROGRAMME STRUCTURE

- The programme is offered part time and full time
- Minimum duration: One year.
- Maximum duration: Two-years part time

NOTE that this qualification has different programme codes but there is only ONE master of education in research dissertation mode in the faculty. Programme codes are only to split the areas of investigation per department and for allocating supervisors.
