UNIVERSITY OF JOHANNESBURG

20YEARS
— 2005-2025 —

Our Future. Reimagined.

College of Business and Economics

Executive Education Programmes

Empowering Future Leaders. Transforming Business.

Celebrating 20 Years of Excellence and Innovation at the University of Johannesburg

From humble beginnings in 2005 to a beacon of academic excellence today, the University of Johannesburg has shaped futures, driven innovation, and transformed lives.

INDEX

Who we are

The College of Business and Economics, or CBE, develops critical thinkers and problem solvers who address business, economics and societal challenges.

Our mission

To transform the business landscape by offering cutting-edge business solutions through exploring the intersection between cutting-edge theory (innovative developments) and practical guided application.

Our vision

To be a reliable and trusted supplier of (in-demand) skills, knowledge, and advice to Africa's leading businesses, governments, and institutions.

Our goals are to:

Through our teaching and learning platforms and our dynamic academics, offer reliable and trusted education that provides in-demand skills and knowledge to Africa's leading businesses, governments, and institutions.

Use our cutting-edge research and the innovativeness of our human capital, provide reliable and trusted advice to Africa's leading businesses, governments, and institutions through research and innovation.

Purposefully collaborate with Africa's leading businesses, governments, and institutions by leveraging the university's brand, broader appeal, systems, and process.

CBE Executive Education is committed to shaping the future of business leaders. Our programs cater to professionals at various levels, from Entry-Level Management to Intermediate Management and C-Suite, ensuring that you gain the skills needed to thrive in today's fast-changing business landscape.

Our Offerings

We offer numerous specialised programmes, available in both online and face-to-face formats, designed to enhance leadership, governance, and digital capabilities across industries.

Key Focus Areas:

- Municipal Government – Strengthening governance and operational efficiency in public administration.
- Leadership Development – Cultivating strategic leadership and decision-making skills.
- Data Programming – Enhancing data-driven decision-making through advanced analytics and programming.
- Corporate Governance – Equipping leaders with governance best practices for ethical and effective management.
- 4IR & Accounting – Integrating Fourth Industrial Revolution (4IR) technologies into accounting practices.
- Digital Marketing & Advertising – Leveraging digital tools and strategies for business growth and brand success.

Why choose CBE Executive Education?

- Expert-Led Training: Learn from industry leaders and experienced professionals.
- Flexible Learning: Choose from online or in-person sessions to suit your schedule.
- Industry-Relevant Content: Our curriculum is designed to meet the demands of the modern business world.
- Networking Opportunities: Connect with professionals and industry leaders to expand your career prospects.

Join our dynamic learning community and take the next step in your professional journey. Whether you're looking to advance in your current role or pivot into a new career, our executive programmes provide the knowledge and tools to succeed.

CIMA Management Level Financial Leadership Programme (FLP)

Department: Department of Accountancy
Programme Level: Continuous Education Programmes
Programme Code: S3P18O
Medium of Facilitation: Online
NQF Level: 7
NQF Credits: 0
SAQA: S34/2022
Duration of Study: 1 Year
Email: mylife@uj.ac.za
Application Start Date: 1 April 2024
