AND ECONOMICS

## CBE Department of Accountancy Public Lecture on Ethics and Accounting

The CBE School of Accounting, Department of Accountancy hosted a public lecture themed *Ethics & Accounting: Sustainability, AI and Whether to Qualify the Future*.

Speaker, Dr Schalk Engelbrecht, Chief Ethics Officer: KPMG South Africa emphasized the moral responsibility of accountants as agents of transparency, reliability, and accountability in society. His thought-provoking talk addressed the ethical character required of accountants navigating sustainability challenges and technological advances reinforcing the importance of ethical conduct.
