1. Overview

The University of Johannesburg (UJ) has two FortiDDoS devices at APK campuses. The licenses for these DDOS need to be renewed on an annual basis. This document serves as the requirements for FortiDDos license renewal.

2. Basic requirements

The successful service provider must be able to meet the following requirements:

- 2.1 Fortinet approved reseller and Fortinet accredited. (Proof of valid certification must be included in the submission.) -Failure to provide valid proof of partner certification will lead to disqualification.
- 2.2 Local i.e., South African representative and must be around the Gauteng province.

3. Equipment List and sites (Specifications)

Below is the list of equipment to be quoted on for renewals.

| Campus | Model | Description |
|--------|-----------------|--|
